

Rethink, Reduce, Reuse, Recycle Team

March 4, 2014

12:00

Members Present: Elery Keene, Lass Von Appen, Linda Woods

SMMC will have a table at **Climate Solutions Expo and Summit** at **Augusta Civic Center** on **March 12**

Table description: large maps of Maine showing how climate change will effect Maine's coast; a tower garden; educational handouts; reusable bags

Elery & Jane will be attending the Summit dealing with public policy as related to climate change. This will be held concurrently.

Action Items:

Lass: Help from 8:00 to 10:00 & bring an easel

Linda: Get more specifics about the location

Geoff: Contact Linda if you are able to help

SMMC will have a table at Woman's Wellness at Thomas College on April 5. At this point, it does not look like we will be composting. We might be distributing non-bottled water. Details have not been finalized.

Table description: Jim Easton's worm composting; a tower garden; educational handouts; reusable bags

Heather Halsey from KVCC has started a speaker's series of presentations on Wednesday s or Thursday s from 12:30 to 1:30. She would like to have one on composting.

Action Item:

Geoff: Let Linda know if you interested

The next meeting will be **Wednesday, March 19** at **noon** in the **Mayor's Conference Room**. Bring your own bag lunch.
